Payment Policies

Billing:

When you enroll in NLAA, you are holding a slot in the program. We schedule our staff according to our enrollment. We are a full-time program and cannot prorate your bill for missed ASC days due to sickness, vacation, doctor visits, snow days or any other days missed. Even if your child will be out for the whole week, you will still be billed the weekly rate to hold your spot.

Partial Week:

If school is in session for at least one day of the week, parents are charged for the full week.

No charge week:

There will be no charge and your child's spot will be held during Spring, Winter, and Summer Break.

Payments:

Payments are PREPAID - payment is due each Wednesday, before the scheduled week. NLAA has an auto-payment program for credit cards and EFT (Electronic Funds Transfer) from banks. All accounts must maintain current accurate information on file for auto payment. All payments are the responsibility of the party who registers the child into our program.

Payments will be processed on the Wednesday

If for any reason, payment is not processed completely/declined, due to card error or other processing issues, payments may be made in person prior to Friday to avoid charges to your credit card on file.

Weekly tuition due on the Wednesday prior to the week . Tuition not paid by Friday of the week will incur a \$5 fee. tuition not paid by Monday the following week will result in forfeiting your child's spot in the program.

Monthly tuition will cover 4 weeks of the program with an average of 19 days per month, September-May. Tuition not paid by the 7th of the month will incur a \$5 fee, tuition not paid by the 10th of the month will result in forfeiting your child's spot in the program.

NLAA will provide annual Afterschool Care Statements with Tax ID Number for tax purposes.

Refunds:

NLAA does not issue refunds; we will credit your account with any discrepancies. For the 2025/2026 school year, we are offering Afterschool Care full time – **5 DAYS/WEEK ONLY.**

General Policies

Absent and Carpool Communication:

When you ask NLAA to pick-up your child, we are obligated to make sure that we do that. We have a roster that is followed each day. When we get to the school and your child is not there or has been moved to a car rider, we have to verify that information. This puts a strain on the system, for the school as well as NLAA. We cannot return to the gym or continue on our route to the next school until we have verified the whereabouts of your child. That takes up time for NLASA and the school administrators. If your child is out of school or has been picked up early from school for any reason, **YOU MUST NOTIFY NLAA in a timely manner.**

We will assess a \$10.00 charge to your account for each incident of non-notification.

Early dismissal:

For scheduled half-days, NLAA will pick-up children per our daily roster.

Homework Assistance:

NLAA are more than happy to help your child with homework and assignments per child's request. However, our staff is **NOT** responsible for going through your child's school bag to verify if they have homework and/or if it is finished. Staff will encourage your child to do their homework but are not responsible if your child refuses to do their homework. Staff are not responsible to do your child's homework for them.

Electronic items and phones:

All electronics (phones, tablets, etc.) will be kept in the child's bag. **ONLY** paper homework will be completed.

Emergency Closings:

NLAA program will follow the Craven County Schools system for emergency closings. Should there be an emergency closing during the school day, we will NOT pick up students at the school.

Non-participation:

WE ARE NOT A CHILD CARE

If a student or parent chooses not to participate in any of our martial arts, fitness, or S.T.E.M. activities, we reserve the right to remove your child from our after school program with 2 weeks notice.

Teacher Workdays:

NLAA will provide full day camps for scheduled teacher workdays up to two days in one week under the regular weekly aftercare pricing.

If schools are out more than two days, each following day will be charged at the regular daily rate for day camps. Day camps are not available when schools are closed for holidays unless otherwise noted.

Day Camps:

NLAA will provide intersession camps at camp rates for all year-round school children. Space is limited for these spots and currently enrolled NLAA students have first priority for all available spots.

Snacks/Lunches:

We provide snacks every day. If your child wants to purchase something different than what we serve, they are free to do so.

We do not provide lunches.

If your child is here for early release or other non-school days, you must pack a lunch that doesn't need any refrigeration or preparation.

Please refer to enrollment package.
